

Flushing Notice

The District will be conducting fire flow tests starting on Tuesday March 13th through Friday March 16th. District customers may experience reduced pressure and/or discolored water. District staff will be flushing and taking actions to ensure the water is returned to normal as soon as possible. If you experience discolored water, please run your water until you see an improvement or a minimum of 20 minutes.

If you have questions please call 425-868-1144. If it is after hours you will be prompted on how to reach our emergency on call employee.

Thank you in advance for your patience.

Northeast Sammamish Sewer & Water District
